

# KidTech Summit

**Learn about science, technology, engineering and math from some of Kentucky's greatest innovators and educators.**

These four subjects affect every part of our lives, no matter what age we are. We've invited start-up companies, entrepreneurs and organizations to show that STEM can open doors and possibilities.

**Saturday  
March 23, 2013  
Noon - 4pm**

**Oldham County  
Public Library  
308 Yager Avenue,
